TOP 10 REASONS WHY I SHOULD BE A MEMBER

- #10 All my friends are members.
- #9 I don't know what a skipjack is.
- #8 To find out which Pope the tavern is named for (hint: It's not the one in Rome)
- #7 The gift shop is handy for those last minute, special gifts.
- #6 When people talk about pungys, nippers and drudges, I don't want to have to change the subject.
- #5 I found this contraption in my shed. I can't find out what it was used for and if it's worth anything.
- #4 My grandkids love the Indian artifacts and the learning programs.
- #3 I just love that old oyster clock!
- #2 How else would you know that Oxford had a race track, a furrier, a hosiery factory, several sail makers, a blacksmith, and a boot maker, but never a WalMart?
- #1 History is fun when you understand that it is all around you. The Museum and its many volunteers open those doors for you. So...sign me up!
